Hi TTPYC members,

Happy May Day!

We had a little hiccup with transferring our website domain, the site was down for a few days. All is fixed and running well now. Thank you for your patience and input. Check out the new "TTPYC.org"

We missed the Port Orchard cruise, but we are looking forward to seeing everyone at Bell Harbor. Des Moines Yacht Club is hosting South Sound Opening Day May 11th. It is a fun get together and if you are interested in attending, there will be more information further down the Barnacle.

Hope to see you out on the water.

Make Reservations for Labor Day Now!

For the **Poulsbo cruise for Labor Day**, there has been a change to the procedure for making reservations for people who want to go. Since it is Labor Day, they will not hold 10 slips for the club. People need to call in individually ASAP and pay a \$5 non-refundable fee for holding a slip. I have reserved E-26 and they will put us all together if when a reservation is made, you mention that you are with TTPYC. I imagine slips will go fairly soon so if you know you are going for sure (or even a maybe if you don't mind risking \$5) then call the Port of Poulsbo at 360-779-9905 to make a reservation. They have 100 slips on a first come first serve basis for the weekend. The sooner you call, the more likely you will be put with the club and not on some other dock. Thanks! Sandy Haigh

Port Orchard Cruise Re-Cap

The rain held off until after Happy Hour on Friday night for the 9 boats that attended the Port Orchard Cruise. Then it stopped just in time for the beginning of the Progressive Dinner on Saturday.

An added attraction on Friday evening was the de-naming ceremony for Doug and Sharon Andrews new boat. It will soon be re-christened as Mapril June, possibly at the Cinco de Mayo Cruise.

Saturday's rain did not stop people from walking around town to complete the scavenger hunt and winning "fabulous" prizes. It was Ray Valpey's birthday so after the dinner, which allowed us to meet in small groups on various boats, we all gathered in the shelter on the dock for more dessert and singing happy birthday.

Sunday morning we had breakfast on the dock and most boats headed out early to beat the rain and heavy winds home. Those in attendance were: Amazing Grace, HobbEs, Joyce-Marie, the new Mapril June, Salish Mermaid, Stella Maris, Sloe Tango, Viva, and Tiburon.

To get or share important club-related news, use our Facebook account. And be sure and check regularly for updates between Barnacles.

To post on Facebook, go to Facebook.com and, in the search box on the upper left side, search on **Three Tree Point Yacht Club**. When the results come up, by clicking on the club name next to the burgee you will be taken to the home page. In the home page menu, click on "Posts", and there will be a box that says "Write a post..." You can type something, or add a photo or video that is on whatever device that you are working on. Smart phones may look slightly different depending on the phone type, but the concept is the same. I would also encourage you to explore the site. You may get lost (sometimes I do) but it's a good way to learn what is there. Ready, set, POST!

Member News

In his last Commodore's Corner article in the Barnacle (October, 2018), Dennis Hansen mentioned that his wife, Ingrid, was considering having surgery to improve her Parkinson disease. Here is an update.

Ingrid has had some setbacks in her recovery. She wants to thank all the family, friends, and hospice team members who are assisting and caring for her at this difficult time.

I know all of us will want to keep Ingrid and her family in our thoughts and wish her strength and peace for the days ahead.

If you have news you want to share with members (think new grandchildren, addresses, boats, jobs, retirements, trips and/ or great photos of a trip, etc.) Just let us know. Email your announcement to Kristie & Don, the Barnacle editors, K6352@aol.com Also remember to talk with new boaters on the dock. The best way to find new members is through conversations with our members.
