The Barnacle

Commodore's Corner

Commodore Charles (Chuck) Hendrick

Opening Day is upon us and boating season is in full swing. Doug and Sharon Andrews will be representing TTPYC at opening Day Ceremonies on May 1st, in Seattle, we look forward to their report on the festivities. Many things to check out in this issue of the Barnacle. Everyone should have received their invitation to the South Sound Opening Cruise-In, the DMYC is having a Ceremony/Dinner/Dance (\$40/person) on May 14, all are invited. A flyer for this event is attached to the Barnacle email.

Shelly and Dean Conti raced Equus in a wind challenged Strait of Georgia race. They did very well under the conditions. The early TTPYC Spring Series has finished up, so we are into the "late" Spring Series starting May 5th, on Thursday nights (check the race section). I think there might be an opportunity for being a Race Committee Boat.

Also, we said Bon Voyage to Tom Hubbard with a party on C and D dock. He will be crewing on the clipper "Seattle" in the round the world race. Tom posted a great video of the 70 foot clipper named "Seattle" coming into Bell Harbor. See the link to the video and more about the Clipper Race in the Membership section. We all wish him good luck and safe sailing.

The cruising section has a review and photos of the trip to Gig Harbor - Arabella's. Many more trips coming up and opportunities to host, it looks like a great summer for cruising. Our next trip will be to Bell Harbor the weekend of 6th.

I would encourage everyone to review the Des Moines Marina Association (DMMA) Annual Meeting Minutes from their Annual Meeting

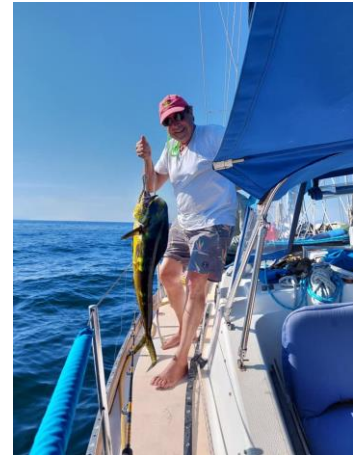

Minutes on April 13, 2022 to keep up with events at the marina. All members of the

Three Tree Point Yacht Club is an affordable family boating club that promotes enjoyment, appreciation, and care of the waters of Puget Sound.

May 2022

DMMA were sent these minutes, but if you did not get them, send Doug Andrews or me a note and we can forward them on to you. The Des Moines Marina development is complicated, and stakeholders need to stay informed.

We had a fun and informative presentation at Angelo's last Tuesday by Steve Foss. Steve showed slides and discussed his multiyear saga of Orn (his Tartan 37) sailing to the Sea of Cortez and back to Seattle. Many adventures and he had much help from other TTPYC members that crewed with him on the journey back. Here is a photo of Steve catching a beautiful Dorado in the Sea of Cortez. There is link to a recording of this presentation on TTPYC website and in the social section of the Barnacle.

See you on the water!

Chuck

Social Committee Chairs TBD

We had a great special presentation from Steve Foss about his trip back from the Sea of Cortez. The meeting was held at Angelo's and on Zoom. If you missed it, the cloud recording is now available.

Let's Experiment!

On May 10, we are trying something different for our regular monthly second Tuesday social. We will meet at Angelo's for a purely social event. Happy Hour will begin at 6 followed by dinner. This will give us a chance to spend more time meeting new members and re-connecting with all our friends. We will also set up a zoom link and a zoom table where those at Angelo's can talk and say Hi to those on Zoom. (We said this was an experiment.....)

Due to other race commitments like the Pacific NW "Oregon" Offshore race Equus will not be able to be Race Committee boat & Frolic would like to Race too, so our plan is to reach out to all of the racers and have each of you volunteer to be Committee Boat for the next 3 Series, Late Spring, Early Summer, Later Summer.

Of course, we would welcome any boat, registered racers or not to help support us by volunteering to be Race Committee Boat, or be extra crew on the Committee Boat to help with the start sequence (raising the flags, blowing the horn, recording the times, etc.) especially with the weather improving it should just get better from here on out. Come out and enjoy a Thursday evening on the water with us!

Arabella's Cruise 2022 Re-Cap

Arabella's Landing Gig Harbor cruise was a blustery weekend mixed with blue skies and sunshine. Once in Gig Harbor, we were protected from the rough winds and waves. Luckily, we had the use of the net shed for Friday Happy Hour, Saturday Pot Luck and Sunday Breakfast. Those that braved the elements were, Brigadoon plus Winston, Endeavor, Kaos , Tina C, Prime Meridian, Rum Runner, Joyce Marie, Down Time, and by land Tom and Jean Spohn and Doug and Sharon Andrews. On Saturday, we were able to tour the Gig Harbor Boat Shop, they just restarted tours the week before because of Covid. By Sunday, the waves receded, and the wind was in our favor for a nice cruise home.

If you want to follow the race the website is clipperroundtheworld.com.
